# GO FROM JOB-HUNTING TO CAREER-BUILDING

*Let Bridgeport Recruiting Help You Find Golden Opportunities*

**At Bridgeport Recruiting, our goal is to guide and nurture you as you navigate the steps of your career path.**

After discussing your professional goals and expectations, our skilled recruiters will identify and refer quality work opportunities on which to build your career. Our service is strictly confidential, and Bridgeport Recruiters will show the utmost discretion in all contacts in order to avoid any conflict with your current employer.

Your assigned Account Manager will provide you with professional coaching, preparing you extensively for all interviews to minimize anxiety and let your qualifications shine through. Your Account Manager remains active throughout the entire hiring process, making sure your requirements are met and your questions are answered.

Finally, Bridgeport Recruiting can provide you with valuable support even after you are hired. We will help you transition between jobs, while our monthly check-in service will ensure we can assist you with any issue you may be experiencing and that you are pleased with your work environment.

Our job is not over until we know you are completely satisfied with your new position.

## *Move your career forward*

Take your career to the next level and work with a recruiting company committed to helping you achieve your professional goals. Please submit your resume to **resumes@bridgeportrecruiting.com** and a Bridgeport Recruiter will contact you with work opportunities.

“ I was amazed with the professional and caring staff at Bridgeport Recruiting. They are unlike any other recruiting agency. They actually fight for what you want out of a job and potential career and always put your needs first. Bridgeport Recruiting did an amazing job at matching my skills, my wants and my personality with a firm of which I hope will remain a second home to me. Thank you Bridgeport Recruiting.”

— Bessy, Administrative Assistant

“ Bridgeport Recruiting doesn’t simply match a C.V. with a job ad. My recruiter was genuinely interested in connecting the right people together. She’s persistent, thorough, reliable, and personable. I recommend Bridgeport Recruiting to any person seeking a job in the IT Industry.”

– Roman, Software Developer
