*We work for you!*

“Our Bridgeport Recruiter was extremely responsive to our needs. She quickly understood what we were looking for and used her resources to recommend many qualified candidates in a short period of time. We were very satisfied with her service and knowledge and we will definitely be approaching her for future recruiting projects.”

— Jonathan, Co-founder and CEO,  
computer software company

“Working with Bridgeport Recruiting was a pleasure. It was unlike any experience I have had with recruiters before. They made my needs a priority and found me qualified candidates quickly. I highly recommend using them.”

— Amir, President,  
construction company

“Bridgeport found my current position and I continue to work with them to fill positions with my current company. The follow-up, attention to detail and quality of candidates they find surpassed other firms I've used in the past. I recommend them highly.”

— Lena, Office Manager,  
digital signage organization
